SUMMARY

Passionate about creating responsive, user-friendly web applications using HTML, CSS, and JavaScript. Skilled in React.js, responsive design, and cross-browser compatibility. Proficient in Git/GitHub and adept at problem-solving, debugging, and transforming UI/UX designs into functional websites. Eager to contribute to impactful projects and grow as a developer.

PROJECTS

My Portfolio

- A professionally designed personal portfolio website developed using HTML, CSS, and JavaScript. This responsive and interactive platform highlights my skills, projects, and contact information. It features intuitive navigation, dynamic UI elements, and a mobile-friendly design, offering a seamless user experience across all devices

E-Commerce Website

- Managed project timelines, reducing delivery times by 30%.
- Spearheaded the adoption of cutting-edge engineering software, improving project accuracy by 15%.
- Collaborated with cross-functional teams, enhancing project success rates by 10%.

Quiz App

- Coordinated project tasks, ensuring adherence to engineering standards and regulations.
- Conducted comprehensive project analyses, identifying and rectifying discrepancies in engineering designs.
